

# Sponsorship

Have you been booed before? If not, let me show you how small acts of kindness can build up and serve our community. I am a local children's author who published the book *Booing: A Halloween Tradition*.

## What is Booing?

**Step 1** - Prepare bags of treats including Halloween related candy, goodies, crafts, and/or toys. Items can be homemade or store bought.

**Step 2** - Attach a copy of "You've Been Booed" to the front of each bag. Place boo bags on others porches. (Make sure that they do not have a ghost hanging in their window. If they do, you'll know they have already been booed.) Be sneaky and don't let them see you. Ring the doorbell, RUN, and HIDE!

**Step 3** - Watch and listen to the joy you bring others as they find treats on their porch. It's a "Pay It Forward" sort of thing.

## Why Sponsor?

I am looking for individuals, schools, girl/boy/cub scout troops, organizations, community groups, and companies to parter with. The goal is to sponsor as many children at Beaumont Hospital as possible. Help me bring Halloween to those that aren't able to go booing, trick or treating, or even get dressed up for Halloween. Each sponsorship includes a Boo Kit and boo bag full of goodies.

## Levels of Sponsorship

**Individual** - \$35 = 1 Child

**Bronze** - \$100 = 3 Children

**Gold** - \$200 = 6 Children

**Platinum** - \$300 = 9 Children

**Diamond** = \$700 = 21 Children (Includes 1 free donated kit.)

I am happy to create customized sponsorships to meet your needs.
